To create a professional learning environment, the following will be expected of students and parents.

WORK ETHIC & PARENT'S ROLE

Each lesson will be taught based on TAE Coding curriculum. Students are expected to review the previous lesson and should complete the assignments. - Parental support in the learning process is vital. Parents should encourage a child's accomplishment and provide exclusive study time.

MISSING CLASSES & MAKE-UP

Students should attend all classes. Attendance is a student's responsibility and a refund or credit will not be issued for the missed class. Make-up is required for a missing class and one make-up session will be charged at \$60 (\$30 per hour).

PAYMENT

Full payment for tuition should be made before or on the day of the first class. Cash or check is acceptable.

CLASS SCHEDULE

Classes are subject to change or cancel.

CODING LAB

Coding Lab is open to any students who are currently taking courses and need additional support to complete assignments or improve coding skills. Please contact in advance to make arrangement.
