TAE Coding Policies

In order to create a professional learning environment, the following will be expected of students and parents.

Work Ethic

• Each lesson will be taught based on TAE Coding curriculum. Student is expected to review the previous lesson and do assignments.

Schedule

- Lesson schedule should be set in advance.
- More than 24-hour notice should be provided for a cancellation of a lesson.
- If you fail to show up at the mutually agreed and scheduled lesson time without notice, the lesson tuition will be forfeited.

Payment

- Full payment should be made before or on the day of the first lesson.
- Cash or check is acceptable.

Parent's Role

• Parental support in the learning process is vital. Parents should encourage child's accomplishment and provide exclusive practice time.

Course

- [CS21] Introduction to Progrogrammin in Python
- Duration: 6 sessions (2 hours each)
